A requirement of membership is to attend one luncheon program as a guest and submit this fully completed application to the Membership Chairman. It will be presented to the Branch Executive Committee for approval. You will be notified of acceptance and requested to attend the following month's first Wednesday luncheon for introduction to our members. A friend that is already a Sir member may sponsor you or a sponsor will be assigned to you to introduce you to other Sirs and to help you get acquainted with our organization.

A benefit of being accepted as a Sir is that a standing reservation for lunch will be held for you and your guests for the first Wednesday Luncheon Program. This reservation is made for you each month with the understanding that you will be there. As a condition of retaining your SIR membership, you agree to attend a minimum of six luncheon programs per calendar year and not miss any three consecutively. In addition, you must notify the Attendance Chairman at least two days in advance if you intend to be absent from any one luncheon.
