From Rick Kindle, State SIR Inc. President  
Subject: Major Revision to the State SIR COVID Protocol

Yesterday, August 22, 2022, due to (A) a Number of SIR Branches expressing a desire to make their own decisions regarding the COVID State SIR Protocols and (B) recent revisions of Federal and State COVID mandates, your SIR State Board of Directors passed a significant modification to the State SIR Protocols.

**Here is the action taken by your State SIR Board:**

- 1. Delete the SIR State COVID Protocol as currently written.**
- 2. Add the following wording:**
  - A. Branches shall require all attendees participating in SIR activities to comply with all current federal, state, and county public health mandates.**
  - B. Branch leaders are expected to ensure that all SIR members and guests participating in meetings or activities comply with all Branch and Venue requirements.**
  - C. Branches may choose to preserve additional measures, such as proof of vaccination or written waivers, as approved by their membership.**

We encourage all Branches to save the records they currently possess regarding proof of Vaccinations and signed waivers in the event another major COVID outbreak should occur.

This Thursday, State SIR will be holding its Annual Meeting, where all Branch BIG Sirs are invited and are voting members of the Corporation. Please remind your Big Sir we need his attendance. It is a ZOOM meeting; the sign-in starts at 8:00 am and the meeting starts at 9:00 am. If you have any questions regarding this action concerning this significant COVID Protocol change, please pass your question thru to your Branch Big Sir.
