BIG SIR - RICHARD GREEN

Here it is June already and it's warm enough for boaters and swimmers. Hard to believe that already we've had half of our luncheons for this year. I'm glad our first two nonagenarians this year, Al Jose and Dick Dement joined us at the head table. SIR Region 9 Director Don Dill made a complimentary presentation of Senior Certificates. Our fifth MBS (Military Bull Session) was at the Sportsmens Bar Happy Hour (every Second Monday of the month). Our attendance at May luncheon was 56%. Again welcome to our thirteen new members this year and thanks especially to those who have volunteered for 2015 officer positions. We expect to add at least two new members next month. I urge you newcomers to think of others you might invite. You can obtain more invitations with applications from Phil Jones, 268-7714 or me at 278-3089. Thanks to Terry Eberhardt for volunteering to look into possible monthly wine tastings to include couples.

LITTLE SIR - ELMER CURTIS

Our BIG SIR gave us an interesting presentation on the USGC EAGLE at our May luncheon and it was well received by all. Our speaker for the June luncheon will be JIM GOETSCH who will deliver a presentation on an adventure he and his lady undertook on his sailing sloop. I have to see this !! As you know JIM is a retired Navy P3 pilot. With his presentation in June that will take us to our summer recess of July. I still have some interesting speakers lined up for your luncheon pleasure when we return in August.

Our new members recruiting program must be working as we have several new members since the start of our year. Have you asked your neighbor if he would like to join us ? What a great way to enjoy "friendship and fellowship" and enjoy a nice luncheon.

GOLF - ROD CORVINGTON

There is an expanded SIRS tournament schedule this year. Information is available in the pro shop

JUNE MENU

You will receive the actual menu with the e-mail that asks if you are attending the lunch. There will be a salad and plated entree.

This allows the chef more time to put together the most cost effective lunch for us. Saving the association (and us) money.
