BIG SIR JIM GOETSCH

My thanks to **Andy Ameigeiras** for volunteering as the Little SIR for 2018! He has been with us only a couple of years, which proves a member doesn't have to have gray hair to help lead our organization.

I recently met with a number of Big SIRs in the local area and found that most haven't found volunteers for many of their positions for next year. Several have just one or two members who volunteer for everything. Thanks to **Ron Wolyn** and **Elmer Curtis** (who form our Nomination Committee for finding volunteers), we already have nearly every position filled for next year. We are looked upon at the State level as a very successful Chapter both for our many volunteers, but also for building our membership over the past few years.

I also learned at that meeting that the overall membership in the SIR organization has gone from 32,000 members in 1990 to only about 15,000 today. Naturally the State organization (actually SIR only exists in Northern California) is interested in the reasons for this decline. Our Chapter #170 has been growing over the past few years due to a number of reasons. Our recent Big SIRs have concentrated on growing the organization, our activities and luncheons are enjoyable for our members, and members have taken the time to recommend membership to their friends and new Association members.

As most of you know, we recently had four members pass since Christmas: Leif Sundblom, Bill Andre, Vern Bagby, and Don Carey. We have maintained a membership of 148 members through this time frame and currently stand at 148. So we are constantly adding members despite losing some. If you have ever been associated with an organization where the members lost interest over time, you will know how painful it is to see it wind down.

I happen to like our chapter members and enjoy participating in most of our activities. If you feel the same, you might mention our SIR organization to your friends and neighbors. I have introduced members to SIR who had heard about us but had never been invited to join.

In talking with other chapters, I have found that several of them offer free SIR luncheons to those members who sponsor the most new members each year. I plan to propose such a program to our Branch Executive Committee in April, retroactive to January 1st, to start such a reward program. I hope to offer a plan that will work for us in helping to attract new members.

I look forward to seeing all of you on April 5th for our next meeting.

Greetings to all. I don't know about you, but I am definitely looking forward to spring and some warmer weather. The daffodils here at Lake of the Pines are in bloom. I have only a few blooms on mine so far. However, I can see much time in the next few weeks will be spent getting rid of all those weeds creeping up through out my front and back yard as a result of all the rain. And, of course, we need to get back to the golf course and get our swing back into shape.

**LITTLE SIR
BOB CHAN**

As mentioned in last month's bulletin, our BEC and Branch officers approved plans for having a luncheon with our wives as a result of recommendations set forth by our area governor. This event will probably be scheduled in July when we normally do not have a luncheon, but NOT to conflict with the 4th of July festivities. A suggestion was made to have an evening function, but I feel most of you would like to keep the cost down. So, it will be likely a luncheon and not dinner. Unlike our regular monthly luncheon there will be no meeting before lunch. There will be some sort of entertainment. More information regarding this event will be given at a later date.

Welcome aboard to our new members. If you do NOT know what activities our Branch offers, please do not hesitate to ask your sponsor or any of us on the Executive Committee. For additional information about us, please read our article in the monthly *LOP NEWS* by our **Duane Heaton (& Phil Frank)** and the monthly SIR Bulletins written by **Rich Hibbs**. Our web site is also up and running. Thanks to **Hal Hawthorne**.

Barry Friesen presented an interesting and informative talk on " low maintenance gardening and plants selection" during our last luncheon. His talk was well received with many questions from the audience. He also gave us a list of some 20 plants, "unfussy plants" for LOP to consider. Our speaker in April is **Denis Pierce**. **His topic will be " Arctic Fox Trolling Flies"**. Mr. Pierce is the host of "Fishing & Outdoor Report" on KNCO AM 830 radio, Friday evenings from 6-7PM. He also writes a fishing column for the "Union" newspaper in Grass Valley. If you like to fish, you don't want to miss Denis Pierce's presentation at the April luncheon. Until then, stay well.
