

Branch 170 Activities Survey

In order to understand and improve the needs and or wants of our branch members, we need to know what they are. Branch 170 has activities which are higher/lower than state recommends for a branch of our size. Regardless of state recommendations, we need to know what our members think to move forward. Feedback of survey results will be provided at the next luncheon. Your response is very important and greatly appreciated.

Please record longer answers on the back of this page. Please list any new activities that might interest you on the back of this page.
